Superintendent Landers provided a welcome introduction and thanked everyone for their participation. Peter Collins provided a brief outline of the project schedule and current progress.

Superintendent Landers asked the work group to provide a list of observations they feel the current High School Building and Grounds needs. Their response included the following items:

- The current building footprint is too large and hard to navigate.
- Hallways are too narrow.
- No sustainability features.
- No defined main entrance.
- Technology limited.
- Performing arts limited.
- Library/media center for community use.
- Improved vehicle traffic patterns.
- Improve bathroom facilities.
- Limited flexible space.
- Lack of informal student gathering.
- Larger auditorium.
- Updated science labs.
- Bathroom facility upgrade.
- Teachers planning rooms.
- Improve athletic facilities (turf).
- Increase the overall community use.
- Ice rink.
- Swimming pool.
Flexible Furniture  
• Tennis Courts
